Home Health Services Agreement
Between Hanover Care Partners, LLC, as manager of Willowbrook at Hanover, and Rappahannock Home Health, LLC

Date: January 15, 2026
Place of service: 1400 Meadow Run Road, Hanover, Virginia

Rappahannock Home Health, LLC is a home health agency licensed by the Virginia Department of Health. Hanover Care Partners operates Willowbrook at Hanover.

The agency will furnish skilled nursing, home health aide, and hospice-coordination services to residents of Willowbrook at Hanover when the community’s wellness director requests them. Services are furnished in independent-living apartments and in licensed assisted-living and memory-care units.

The community controls the referral relationship. The wellness director arranges the start of care, receives reports, and includes the agency in the resident’s plan. Use of this agency is part of the community’s own care program. A resident may choose another licensed agency, but the community still coordinates the outside provider and does not leave the resident to find care unaided.

This agreement does not lease the clinic to the agency as a public walk-in office. The agency does not offer these services to the general public from this building.
