Therapy Services Agreement
Between Hanover Care Partners, LLC and Piedmont Therapy Group, LLC

Piedmont Therapy Group will provide physical therapy, occupational therapy, and speech therapy in the wellness clinic at Willowbrook at Hanover. Sessions are scheduled by the community at least four days each week. The clinic is on site. It is not a storefront open to the general public.

The wellness director refers residents and requires that therapy ordered by the plan of care be coordinated through this clinic or through another provider the community has approved. Community management arranges the service as part of the care program.

Piedmont Therapy Group is a licensed outpatient therapy provider. Billing may be private pay or, where a resident has coverage, through the resident’s own Medicare benefit as a home-health or outpatient patient. That billing does not make Willowbrook at Hanover a Medicare-certified skilled nursing facility.
