Unit Mix and Campus Description
Willowbrook at Hanover
1400 Meadow Run Road, Hanover, Virginia 23069

One building. One tax parcel. One operator.

Level 1 and Level 2: 120 independent-living apartments.
Level 3: 48 assisted-living units, licensed.
Level 3 secure wing: 16 memory-care units, licensed as part of the assisted-living license.

Independent-living residents and assisted-living residents use the same dining room, the same wellness clinic, the same fitness room, and the same transportation service.

A resident who needs help with activities of daily living can move from an independent-living apartment to an assisted-living unit in this building when a unit is available. The move does not require the resident to leave the property or change operators.

About 35 percent of the units are occupied as licensed assisted-living or memory-care units. That share is a significant part of the building, not a token wing.

The building is not a continuing-care retirement community and does not charge an entrance fee that would meet the tests for a qualified continuing care facility under section 7872(g)(4).
